

# Qibocal

```
graph LR; Qibocal --> qq[qq]; Qibocal --> qq_upload[qq-upload]; qq --> Calibration[Run calibration routines]; qq_upload --> Share[Share your results];
```

The diagram is a mind map with 'Qibocal' at the center. Two lines branch out to 'qq' (top) and 'qq-upload' (bottom). 'qq' is linked to 'Run calibration routines' via a vertical line and a horizontal bracket. 'qq-upload' is linked to 'Share your results' via a vertical line and a horizontal bracket. The 'qq' branch is orange, and the 'qq-upload' branch is pink.
